

ARCHIVES MONTH IN WASHINGTON

Brought to you by the Office of the Secretary of State, Washington State Archives, Seattle Municipal Archives, Western Washington University, University of Washington, and the Northwest Museum of Arts and Culture.

PRESERVING HISTORY

Archives Month in Washington is an annual statewide opportunity each October to engage a range of audiences by communicating the value of our historical records, to publicize and raise awareness of the many ways these collections enrich our lives, and to recognize those who preserve and manage our communities' historical records, whether at archives repositories, museums, libraries, within companies, or at non-profit institutions.

CELEBRATE WASHINGTON'S HERITAGE

This year's theme is "Celebrate Washington's Heritage." Among the commemorative events will be the 150th anniversary of Seattle's incorporation.
